5&6& Step right side, cross left behind, step right side, cross left over

7-8 Turn ¼ LEFT and step right back, turn ½ LEFT and step left forward (9:00)

REPEAT

*****NOTE: This corrects the prior version of this step sheet. The 4th set ends with a ¾ turn to the LEFT, not RIGHT (as previously stated). The only way to end up at 9:00 - and move with the momentum created with the syncopated weave - is to turn left. Apparently the RIGHT turn originally documented was a typo*****
