# How To Download "ANY PLAYER" For Windows/PC Computers
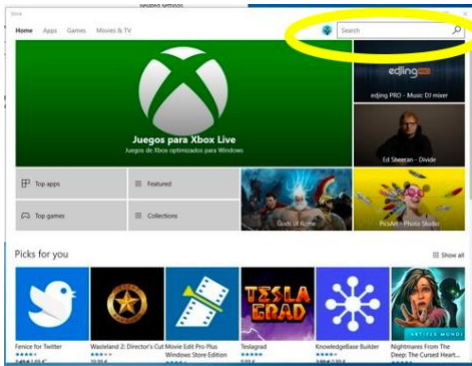

1. Click on the **Windows Start Menu** icon

2. Click on the **Microsoft Store** icon

3. In the **Search Bar** type **Any Player** and click on the **magnifying glass** icon

4. Click on the **Any Player** icon (yes, it is really called that)

5. Click where it says **Download** or **Install**
6. Follow the prompts to install the program
7. Once installed, go to one of the videos and **Right Click** on it
8. Scroll over **Open With** and select **Any Player**
